Your task

As a team, create a short conversation in ASL using vocabulary from the last two weeks.

- Each team member signs at least **2 sentences**.
- Each sentence uses at least **2 vocabulary words** from the last two weeks.
- Write your conversation out in ASL gloss first, then practice your part.
- No notes during the presentation. Watch your five parameters.
- You have 15 minutes of practice time per day.

Writing ASL gloss

Gloss is your script written in ASL word order, in capital letters. Follow this order:

- **Time → Topic → Comment → Action → Wh-question**
