

# ASL Video Reflection Templates

---

Use these reflection templates to guide student thinking after watching ASL videos (narratives, vocabulary, cultural content, etc.).

## Template 1: General Reflection

Title of Video: \_\_\_\_\_

Date Watched: \_\_\_\_\_

What was the video about?

List 3 new signs you learned:

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

Describe one thing you found interesting or surprising:

How does this video connect to what you're learning in class?

## Template 2: Cultural Reflection

What cultural topic was addressed in the video?

What did you already know about this topic?

What new information did you learn?

How did the signer express their perspective (facial expression, tone, pace, etc.)?

How does this topic relate to the Deaf community or identity?

## Template 3: Receptive Practice Reflection

What was the main message of the video?

How much of the video did you understand (percentage estimate)?

List any classifiers or grammar structures you noticed:

What signs or parts were difficult to understand?

What strategies helped you improve your understanding?

### **Template 4: Expressive Imitation**

Watch the video again and try to imitate the signer.

Which parts were easy for you to copy?

Which parts were difficult?

What facial expressions or NMMs did the signer use?

What will you focus on next time you practice?
